The Jerusalem Institute of Justice

is dedicated to cultivating and defending the rule of law, human rights, freedom of conscience, and democracy for all people in Israel and its adjacent territories.

We educate and advocate for victims of repressive policies in our region.

Our passion for moral clarity has driven us to represent marginalized groups like victims of human trafficking, Israeli lone soldiers, and marginalized Palestinians.

Our work has taken us before the UN, European Parliament, and esteemed academic venues on several continents.

Headquartered in Jerusalem, JIJ also operates a network of international jurists focused on combating anti-Semitism.

The Jerusalem Institute of Justice

exists to strengthen democracy, advance freedom, and challenge human rights abuses through legal, media and political advocacy.
