# Real Testimonies from Palestinian Victims of

# TORTURE

**T.J.**

*After the arrest I need to take medicine... because of my heartache when I see how my daughter is disabled because of the PA... I am full of worries about the situation and future of my daughter who is disabled because [the PA] pulled her out of the incubator prematurely as revenge on me."*

**Y.O.**

*The doctor [in the Palestinian prison] said it would be a shame to waste hospital resources on me, so he'll do [the surgery] in the prison clinic. He cut my head without anesthesia while my hands were bound in handcuffs. Still today I am suffering in my head from what he did to me."*

**I.A.**

*What I want to say is that the Palestinian Authority (PA) destroyed my life from every direction- mentally, psychologically, physically."*

**D.M. (deceased)**

*Because of the PA I lost my health... I am trying to heal myself. I can't. I am only getting worse."*

**Z.A.**

*The [PA] commanding officer showed me an explosive belt. He said I have two options: either to wear the belt and go to Israel to commit a suicide bombing, or I will be killed here."*

**A.H.**

*I wanted to die 20 times a day because of how horrible [the PA's] torture was. They once put me in an electric chair, and I could literally see death."*
